WORK EXPERIENCE

OPEN DOORS

Cyber Security Intern

Sydney, NSW

April 2025 – June 2025

- Open Doors is a non-profit organisation dedicated to enhancing community support and resource accessibility, aiming to strengthen local initiatives.
- Supported the Operations team by creating documentation for the cyber security governance framework while ensuring compliance with industry standards.
- Assisted in conducting risk assessments, implementing security measures, and supporting incident response effectively to enhance the organisation's security posture.

DISCIPLES TOOLBOX

Web Developer Intern

Sydney, NSW

June 2024 – August 2024

- Disciples Toolbox is a Christian organisation dedicated to outreach and community engagement.
- Designed and developed a responsive website, enhancing user accessibility across all devices while ensuring quick load times.
- Optimised site performance, SEO, and navigation to improve user experience and visibility.

UNIVERSITY OF SYDNEY

Faculty Peer Mentoring

Sydney, NSW

2023 – 2024

- A peer mentoring program aimed at guiding and supporting first-year Architecture and Design Planning students.
- Facilitated personalised mentoring sessions to improve students' understanding of academic pathways and career options.
- Organised skill workshops for web design and development tools to equip students with essential technical capabilities.

EZBO International

Video Editor and Graphic Designer

Taipei, Taiwan

2017 – 2018

- EZBO International is focused on educational content and early learning products.
- Collaborated with toy manufacturers to create informative content that highlights product features and benefits.
- Designed promotional materials and graphics for online campaigns to boost customer engagement and sales.

Herb Gourmet

Video Editor and Graphic Designer

Taipei, Taiwan

2017 – 2018

- Herb Gourmet specialises in traditional Chinese herbal supplements, leveraging biotechnology for enhanced health benefits.
- Created and managed promotional video content, images, and product tutorials for a biotechnology company, emphasising the advantages and applications of herbal products on the company's website.
