WORK EXPERIENCE

OPEN DOORS   Sydney, NSW
Cyber Security Intern   April 2025 – July 2025
- Supported the Operations team in developing a comprehensive 50 page cyber security governance framework, ensuring compliance across five major industry standards.
- Assisted in conducting risk assessments, implementing security measures, and supporting incident response effectively to enhance the organisation's security posture.

TRIO GROUP   Melbourne, NSW
UX Design Intern   Nov 2024 – Feb 2025
- Collaborated with the Product Design Lead to develop product features that increased user engagement by 15% and aligned with business objectives.
- Help conduct user research and user testing to validate design concepts and identify areas for improvement.
- Assist with the creation of wireframes, prototypes, and mockups using design tools such as Figma, or Adobe Creative Suite.
- Assist with the creation of design systems and maintain consistency in the design of all product features.

DISCIPLES TOOLBOX   Sydney, NSW
Web Developer Intern   June 2024 – August 2024
- Designed and developed a responsive website, enhancing user accessibility across all devices while ensuring quick load times.
- Optimized site performance, reducing load times by 40%, and enhanced SEO rankings by 30% to improve user experience and visibility.

UNIVERSITY OF SYDNEY   Sydney, NSW
Faculty Peer Mentoring   2023 – 2024
- Facilitated personalised mentoring sessions to improve students' understanding of academic pathways and career options.
- Organized 3 skill workshops for web design and development, benefiting over 100 students with essential technical skills.
